DIVISION OF WATER RIGHTS

ORDER

APPLICATION 3808

PERMIT 3418

LICENSE 2649

ORDER ALLOWING CHANGE IN PURPOSE OF USE,
CORRECTING POINT OF DIVERSION
AND REDUCING PLACE OF USE

WHEREAS:

1. License 2649 was issued on San Dimas Water Company and was filed with the County Recorder of Los Angeles County on April 25, 1944.
2. License 2649 was subsequently assigned to County of Los Angeles Water Works Division.
3. A petition for change in purpose of use, correcting the point of diversion, and reducing the place of use has been filed with the State Water Resources Control Board and said Board has determined that good cause for such change has been shown.
4. The Board has determined that the petitioned changes do not constitute the initiation of a new right nor operate to the injury of any other lawful user of water.

NOW, THEREFORE, IT IS ORDERED THAT:

1. The purposes of use under this license shall be as follows:

Irrigation and Recreational uses

2. The point of diversion under this license shall be as follows:

South 500 feet and East 3,400 feet from the NE corner of projected Section 15, T1S, R9W, SBB&M, being within the NW $\frac{1}{4}$ of NE $\frac{1}{4}$ of said projected Section 15.

3. The place of use under this license shall be as follows:

Irrigation of 725 acres within a gross area of 1,970 acres of Frank G. Bonelli County Regional Park located within projected Sections 10, 11, 13, 14, 15, 22, 23 and 24, T1S, R9W, SBB&M, and Recreational Use at Puddingstone Reservoir within projected Sections 10, 14 and 15, T1S, R9W, SBB&M, as shown on maps on file at the office of the State Water Resources Control Board.

Notice of Assignment (over)

License for Diversion and Use of Water

LICENSE 2649PERMIT 3418APPLICATION 2808

THIS IS TO CERTIFY, That **San Dimas Water Company**
San Dimas, California

as of Aug. 17, 1943 (the date of inspection)

has made proof to the satisfaction of the Division
of Water Resources of California of a right to the use of the waters of **Puddingstone Canyon** in
Los Angeles County
tributary of **Walnut Creek and San Gabriel River**

for the purpose of **irrigation use**
under Permit **3418** of the Division of Water Resources and that said right to the use of said waters has
been perfected in accordance with the laws of California, the rules and regulations of the Division of Water Resources
and the terms of the said permit; that the priority of the right herein confirmed dates from **January 24, 1924;**

that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited
to the amount actually beneficially used for said purposes and shall not exceed a rate equivalent to the
average diversion during the month of August 1942, which diversion, as measured
by licensee herein, was at the average rate of four and seventeen hundredths
(4.17) cubic feet per second. The season of diversion is from January 1 to
December 31 of each season.

In case of rotation, the equivalent of such continuous flow allowance for any
thirty day period may be diverted in a shorter time if there be no interference
with other vested rights.

The point of diversion of such water is located **South two hundred fifty (250) feet**
and **East thirty seven hundred ten (3710) feet** from the N.W. corner of Section 15
T 1 S, R 9 W, S.B.B. & M., being within the NW $\frac{1}{4}$ of NE $\frac{1}{4}$ of said Section 15.

A description of the lands or the place where such water is put to beneficial use is as follows:

Irrigation of 4422.21 acres in projected Sections 34, 35 and 36, T 1 N, R 9 W,
and projected Sections 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 15, 16, 17 and 18,
T 1 S, R 9 W, S.B. B. & M., and being within Ranchos La Puente, San Jose and
San Jose Addition as shown on map entitled "San Dimas Water Company," filed
March 12, 1938, with the Division of Water Resources.

The Water Commission Act was superseded by the Water Code on August 4, 1943.
By force of the provisions of the latter, all references in this form to the
Division of Water Resources will be understood to mean the Department of Public
Works acting by and through the State Engineer.

All rights and privileges under this license including method of diversion, method of use and quantity of water
diverted are subject to the continuing authority of the Division of Water Resources in accordance with law and in the
interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or unreasonable method of
diversion of said water.

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from
time to time by the Division of Water Resources.

The right to the diversion and use of the water aforesaid hereby confirmed is restricted to the point of
diversion herein specified and to the lands or place of use herein described.

1

This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the department.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license, does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property can not agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
